For Immediate Release

TELESOURCE RAISES MONEY FOR LOCAL CHARITY
Grand Opening and Fundraiser are a Success.

On Friday, October 24, 2008, in honor of their Grand Opening, TeleSource and CEO Ronnie Bice hosted a benefit for *Grin Kids*, a local charity founded by Kiss 95.1's morning duo, Ace and TJ. The benefit, a Casino Night Fundraiser, raised \$5,380 for the charity.

Grin Kids raises money to send terminally ill children and their families to Disney World every year, expense free. The event was held at Sabi Restaurant in Davidson, NC from 6:30 to 9:00 and the entire Ace and TJ crew was in attendance. The night was such a success that TeleSource has decided to make it an annual event.

Prior to the fundraiser, TeleSource celebrated their move into new offices by hosting an open house at 3:30 and a ribbon cutting sponsored by the Lake Norman Chamber at 530. Approximately 100 TeleSource customers and agents attended the day long event in addition to the general public.

Guests spent \$100 per couple for entrance into the "Casino" and received food, drink, and "Grin Kids Bucks" for gambling. At the close of the evening, guests were allowed to use their casino winnings to bid in a live auction on merchandise donated by local area businesses.

Some of the items donated included a Carolina Panthers Team signed football, Peyton Manning signed football, Dale Earnhardt Sr. signed die-cast car, one-year car care package valued at \$500, and a PGA US Open Golf Package.

TeleSource presented a check to Ace & TJ, live on-the-air, on Thursday, October 30. A clip of that presentation can be heard at www.telesourceinc.net.

Ace and TJ's most recent trip to Disney World was held from October 4 through October 7 and pictures from that trip can be found on their website.

TeleSource has made November its Grand Opening Month, and invites all interested businesses to contact us at 704.990.7600 to schedule a tour of the new facilities. TeleSource is located at 130 Harbour Place Drive, Suite 350 in Davidson, NC, directly off Exit 30 from Interstate 77.
